

Match Report 15/11/2008

Another Win!! Well this weeks game was really one of two halves.

8am Monday. 3 players

9am Tuesday. 4 players. 19 unavailable for selection 1 decided to head overseas for 6 months and 5 weren't polite enough to say yay or nay (I'm guessing they were no's , but please drop us a line it makes it a bit easier at this end).

5pm Wednesday. I think we've got 5. Prozac just starting to work. Two gins and a half G and we'll hit the phone at 7pm.

Thursday 9 am. The team is looking better. We have the back-up from the Swannanoa school under 11's who will bolster the ranks if required. I heard one score 20 last week, yeehaa at least we've got one batsman.

Thursday 4pm. 8ish players and a cunning plan to play the shortest under 11's in order to get a few no ball runs.

Thursday 10pm. Go out spotlighting and shoot 23 bunnies and 1 cat. Still thinking about team. Still haven't heard back from the 5 neither yay or naves but thanks you improved my shooting no end.

Friday 5.30pm. Finally have a brilliant and full team lined up to play including ex representative players, has-beens, wannabes and ring-ins.

Mental note bring back Trev.

Friday 7ish. Opposition defaults, couldn't get a team together apparently.

They quite surprised we had a squad given it is a long weekend.

Player of the day goes to Geoff Olsen for finding 3 players.
