Round 8 - 4th December - Swannanoa 3RD 11 vs Woodend , Woodend

Swannanoa met Woodend at the Woodend Domain with Swannanoa winning the toss and electing to bat.

Most players self-destructed to the early tame Woodend attack with only Derek Scott applying himself with a well-compiled 62. A good 7th wicket partnership of 50 between Stu Cousins, 28 NO and Mike Hamilton saw Swannanoa home to 206 for 6.

Woodend limped to 137 with only a player named “Squeak” scoring an entertaining 50, offering any resistance. Matt McNabb 2/30, Geoff Olsen 2/18 and newcomer Richard Campion 2/21 were the chief destroyers.

Perhaps the highlight of the day was the four catches taken by Nathan Lang at mid wicket which made sure Woodend were to run second.
