

Swannanoa vs Woodend at Swannanoa, 20/2/10:

Woodend Bulldogs batted first, and after what was a fine start in reaching 80/2 in quite good time, were rolled by a rampant H.Ryan who delivered the fine figures of 6 overs, 7 for 12 to bowl the opposition out for a paltry 97 in the 27th over. The feat did attract the attention of the local press, where in the write up, Hayden was referred to as the "Swannanoa Journeyman". He can thank his younger cousin Luke O'Donnell for the coverage.

Swannanoa took on this relatively meagre total with ease, striking off the deficit in 20 overs for only the loss of a Mark Sincock wicket. In doing so, Tim Osbourne regained some of his good form in posting 57 not out to record his third half century of the season, and Sincock and Hamish Dugdale chimed in with 22 and 11 not out respectively. An easy win in the end.
